Community Colleges –

A Unique Education Innovation

Community Colleges are a unique American educational innovation which adapted to the changing needs of our nation.

Originally founded to prepare transfer students to succeed at senior institutions, today's community colleges offer degrees in career as well as transfer programs, training in career/technical areas, and a wide array of continuing education/community services and programs.

Missouri's Community Colleges

With an emphasis on open admission and open access, the 12 community college districts and 17 campuses in Missouri provide high quality programs and services to all citizens. Programs are offered on campuses, job sites, and other education centers. Innovative use of technology allows community colleges to serve businesses and individuals in all regions of the state.

Community College students vary in age, background and income, but all have a similar goal – to succeed.

Take Advantage of A+

You may qualify for six (6) terms of study (includes summer and inter-sessions) at a Missouri Community College. What you learn will prepare you to enter the work force of the 21st century.

All of this is made possible through an appropriation from the State of Missouri to qualifying students who graduate from A+ designated high schools.

If Your High School is an A+ School

If you think your school is tough, you're right! Your school has proven that it teaches challenging courses that lead students to college degrees and high-wage jobs.

A+ Schools Program

“One of the most important education imperatives facing the state of Missouri is to reach out to youngsters who are not headed to college and keep them from dropping out of high school. About half of our high school graduates do not go on to college and one in four students entering high school never graduate. We must provide them with an exciting and rigorous program of academic and technical education that leads to community college or workplace skill development. The A+ School Program is designed to accomplish that imperative.

The A+ Schools Program will mobilize an intensive partnership among high schools, community colleges, students, teachers, parents, labor, businesses, and communities to give these students the motivation, skills, and knowledge to graduate from high school. It will create an innovative and well-designed path from high school to high skill, high wage jobs.” (*Excerpts from a speech on World Class Schools for Missouri by Gov. Mel Carnahan, May 1992*)

Student Eligibility Requirements for the A+ Schools Program:

A+ Schools Program Rule: 5 CSR 50-350.40

Students who plan to participate in the A+ Schools Program student financial incentives understand that:

- A. Student financial incentives will be available for a period of four (4) years after high school graduation;
- B. To be eligible, each student must enter into a written agreement with the school prior to high school graduation and:
 - (I) Have attended a designated A+ School for three (3) consecutive years prior to high school graduation;
 - (II) Graduated from high school with an overall grade point average of two and five-tenths (2.5) points or higher on a four (4)-point scale, or graduated from a high school with documented mastery of institutionally identified skills that would equate to a two and five-tenths (2.5) grade point average or higher;
 - (III) Have at least a ninety-five percent (95%) attendance record overall for grades nine through twelve (9-12);
 - (IV) Performed fifty (50) hours of unpaid tutoring or mentoring for younger students; and
 - (V) Maintained a record of good citizenship and avoidance of the unlawful use of drugs and/or alcohol;
- C. To maintain eligibility, each participating student must during the four (4)-year period of incentive availability:
 - (I) Have enrolled and attend on a full-time basis a Missouri public community college or vocational or technical school; and
 - (II) Maintain a grade point average of two and five-tenths (2.5) points or higher on a four (4)-point scale;

- D. The tuition incentives will be made available, subject to legislative appropriation, only after the student has made a documented good faith effort to first secure all available federal postsecondary student financial assistance funds that do not require repayment; and
- E. The tuition incentives will only be made available to reimburse the unpaid balance of the cost of tuition, general fees and up to fifty percent (50%) of the book cost subject to legislative appropriation after the federal postsecondary student financial assistance funds have been applied to these costs;
 - (I) If changes must be made to the above incentives due to legislative appropriation, DESE will endeavor to reimburse;
 - (a) First, the full amount of tuition;
 - (b) Second, the general fees; and
 - (c) Third, up to fifty percent (50%) of the book cost;

All individuals required to register under the United States Military Selective Service Act must show proof of registration to be eligible for state-supported scholarships, programs for financial assistance for postsecondary education or loans insured by any state agency. This student eligibility requirement is authorized pursuant to Mo. Rev. Stat. §§ 105.1210, 105.1213 and 105.1216 (2000).

CROWDER COLLEGE

Year founded: 1966

All Missouri community colleges are open admission institutions. However, some specific programs do have admission requirements and it is the responsibility of the prospective student to comply with the admission processes.

The Associate of Arts degree is designed to prepare a student for transfer into baccalaureate degree granting institutions. Good standards of practice in articulation assures the recipient of applicability of their courses to virtually all programs of study leading to the baccalaureate degree.

Community College Service Regions

In 1993, the Coordinating Board for Higher Education approved formation of community college service regions. These services provide all citizens of Missouri access to community college programs and services, and facilitate delivery of postsecondary education and training across the state.

1. North Central
2. Moberly
3. Metropolitan
4. State Fair
5. Crowder
6. Three Rivers
7. Mineral Area
8. Jefferson
9. St. Louis
10. St. Charles
11. East Central
12. Ozarks Technical

MCCA CHANCELLORS & PRESIDENTS

- **Crowder College, Neosho**
Dr. Steven Gates, President
- **East Central College, Union**
Dr. Karen Herzog, President
- **Jefferson College, Hillsboro**
William P. McKenna, President
- **The Metropolitan Community Colleges**
Dr. Wayne E. Giles, Chancellor
 - Blue River Community College**
Malcolm Wilson, President
 - Business & Technology College**
Jack Bitzenburg, President
 - Longview Community College**
Dr. Fred Grogan, President
 - Maple Woods Community College**
Dr. Merna Saliman, President
 - Penn Valley Community College**
Dr. Jacqueline I. Snyder, President
- **Mineral Area College, Park Hills**
Dr. Terry Barnes, President
- **Moberly Area Community College, Moberly**
Dr. Evelyn E. Jorgenson, President
- **North Central Missouri College, Trenton**
Dr. James Garnder, Interim President
- **Ozarks Technical Community College, Springfield**
Dr. Norman K. Myers, President
- **St. Charles Community College, St. Peters**
Dr. John McGuire, President
- **St. Louis Community College, St. Louis**
Dr. Henry Shannon, Chancellor
 - SLCC at Florissant Valley**
Marcia Pfeiffer, President
 - SLCC at Forest Park**
Dr. William Kennedy, Acting President
 - SLCC at Meramec**
Dr. E. Lynn Suydam, President
- **State Fair Community College, Sedalia**
Dr. Marsha Drennon, President
- **Three Rivers Community College, Poplar Bluff**
Dr. John F. Cooper, President
- **Missouri Community College Assn**
Dr. James S. Kellerman, Executive Director, CEO

Other participating A+ Schools Program Institutions include:

Two-year colleges:

Linn State Technical College (Linn)
West Plains Campus/SMSU (West Plains)

LINN STATE TECHNICAL COLLEGE

Address: One Technology Drive
Linn, MO 65051
www: www.linnstate.edu

Telephone: 573-897-5000

Fax: 573-897-4656

Chief Student Personnel Officer: Earlene Henson
Admissions Officer: Becky Dunn

A+ Contact Individual: Becky Whithaus or Kim Staley

Tuition:

Resident or In-District:	\$117/credit hour
In-State:	\$117/credit hour
Fees:	\$21.00 /credit hour
Heavy Equipment Operator	\$227/credit hour
Internet/On-Line	\$162/credit hour

In addition to the fees indicated, there may be additional fees assessed per specific course or program.

Residence Halls: \$1,365 – Double Room \$2,475 – Single Room
